

March is Colorectal Cancer Awareness Month.
Join us for information on:

Protecting Your Colorectal Health

*What you should know about reducing
your risk of colorectal cancer*

Tuesday, March 20, 2018

6:00 to 8:00 PM

Morristown Medical Center Health Pavilion

3rd Floor Community Room

333 Mount Hope Avenue, Rockaway, NJ

Presenters:

Dr. Lawrence Harrison, Chief, Surgical Oncology, Carol G. Simon Cancer Center,
Morristown Medical Center

Jessica Heinzmann, Genetic Counselor, Carol G. Simon Cancer Center,
Morristown Medical Center

Mary-Giselle Ulbrich, Dietician, Carol G. Simon Cancer Center, Morristown Medical Center

Our expert medical team will present a comprehensive overview of colorectal cancer, including pre-cancerous polyps, risk factors, warning signs/symptoms, and recommendations for early detection and prevention.

This Program is **FREE** to the public. All are welcome.

Light dinner and refreshments will be served at 6 pm. Presentation will start at 6:30.

Registration is required. For more information or to register, call 1-800-247-9580.
